*Dear Sir / Madam*

I understand that London 2012 is assisting communities with establishing temporary sites throughout the UK, which will show the Games on large screens in public spaces.

I would be grateful if you would consider installing such a site in Herefordshire. Our county is home to the British international Blind Football Team and I know that huge numbers of Herefordians are keen to get involved with the 2012 Games – even if they are not able to travel to London in person.

Would it be possible to arrange a convenient date for your team to meet with myself and the Leader of Herefordshire Council to discuss options?

I look forward to hearing from you.

With all best wishes,

**Jesse Norman**  
**Member of Parliament**  
**Hereford and South Herefordshire**
